IMPORTANT

Items must be returned within 15 days from the date of delivery. Items returned outside this period will not be accepted. Items must be in original condition and must not have been worn, altered or washed. All tags must remain in place. Every garment shipped has a tag attached reading, "Once this tag is removed, this garment cannot be returned". Once this tag has been removed, the garment is no longer returnable. We strongly suggest all items are tried on as soon as they are received. Purchases made in ZIMMERMANN stores cannot be returned to the online store. Returns must only be sent via the return courier service to be processed. For all swimwear and lingerie, the protective hygiene strip must remain in place and will not be accepted if removed or altered. Shoes must be returned in their original box. Earrings cannot be returned. If you wish to exchange for another item or size, you can do this in store or simply return it for a store credit or refund and purchase the new item separately. Allow 5 business days after receipt of goods for returns to be processed. A return request must be submitted to receive your return within normal processing times. All new items following an in-store exchange will be subject to the In Store Returns Policy.
